

**Amendments to the Specification:**

Page 11, please rewrite the paragraph commencing at line 7, as follows:

--FIG. 9E shows the chassis 100 with a module ~~134~~ 234 being partially installed. The fins of the module ~~134~~ 234 pass into the slots 170 of the top and bottom horizontal surfaces 162, 160 and notch 176 of the chassis faceplate 158. The module ~~134~~ 234 slides into the opening in the chassis faceplate 158 and then continues to slide into the shielding chamber until the module connector 260 engages the vertical backplane connector 166.--
